<<Variable Data 2>>

Dear <<First Name>> <<Last Name>>,

Abatix Corp (“Abatix,” “we,” or “us”) is sending this letter as part of our commitment to privacy. We are writing to inform you of an incident at Abatix which involved some of your personal information. Although we have no reason to believe that you are at risk of identity theft or fraud in relation to this event, we are providing you with information about the event, our response, and additional measures you can take to help protect your information, should you feel it appropriate to do so.

What Happened? In February 2026, Abatix was alerted that its data may have been obtained by an unauthorized party. Upon learning of this, we promptly initiated an investigation to assess whether any Abatix data or systems may have been involved. As a part of this effort, we engaged external cybersecurity and forensic specialists to assist with the investigation.

Our diligent investigation since has revealed that an unauthorized party gained access to some of our IT systems. We believe that the unauthorized party was targeting Abatix and its company information, as is common with these types of incidents. While the unauthorized party was targeting Abatix’s IT systems, we also conducted a thorough review of the files and data to ascertain what personal information, if any, may have been involved.

What Personal Information Is Involved? Abatix does not believe the unauthorized party targeted any of your personal information or intended to harm individuals. Instead, the evidence suggests the unauthorized party was motivated to target Abatix and its company information, as is common with these types of incidents. We are providing you with this notice out of an abundance of caution. The information that was involved may have included your name, date of birth, and social security number.

What We Are Doing. Abatix takes this matter seriously. Upon being alerted to this matter, we promptly investigated to confirm the nature and scope of this event. Our response included retaining a cybersecurity forensics company, scanning of our environment, and implementation of additional security measures. It is our priority to evaluate and deploy the level of robust security protocols, continuous monitoring, and staff training needed to prevent and defend against future sophisticated cybersecurity threats.

We believe that the unauthorized party was targeting Abatix. We have no reason to believe your information has been or will be used or misused for fraudulent purposes. Nonetheless, we are providing you with additional information about credit monitoring and other identity theft protection services, at no cost to you.

These services are made available through IDX, an identity protection services provider. These services include: 12 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed identity

theft recovery services. With this protection, IDX will help you resolve issues if your identity is compromised from this event.

What You Can Do. We take privacy seriously and sincerely regret any inconvenience this event may have caused you. For more information on credit monitoring and other identity theft protection services, please see the enclosed attachment for a description of the services provided and instructions on how to enroll. Please note that you must complete the enrollment process yourself, as we are not permitted to enroll you in these services on your behalf.

We encourage you to contact IDX with any questions and to enroll in the free identity protection services by calling 1-833-788-9712, going to <https://app.idx.us/account-creation/protect>, or scanning the QR image and using the Enrollment Code provided above. IDX representatives are available Monday through Friday from 6 am - 6 pm Pacific Time.

We also encourage you to, as always, remain vigilant and monitor your account statements, financial transactions, and free credit reports for potential fraud and identity theft, and promptly report any concerns. We suggest you regularly review bills, notices, and statements, and promptly report any questionable or suspicious activity.

For More Information

You will find detailed instructions for enrollment on the enclosed Recommended Steps document. Also, you will need to reference the enrollment code at the top of this letter when calling or enrolling online, so please do not discard this letter.

Please call 1-833-788-9712 or go to <https://app.idx.us/account-creation/protect> for assistance or for any additional questions you may have.

Sincerely,

Name
Abatix Corp

Recommended Steps to Help Protect Your Information

1. Website and Enrollment. Scan the QR image or go to <https://app.idx.us/account-creation/protect> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter. Please note the deadline to enroll is July 22, 2026.

2. Activate the credit monitoring provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.

3. Telephone. Contact IDX at 1-833-788-9712 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.

4. Review your credit reports. We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to www.annualcreditreport.com or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help.

If you file a request for help or report suspicious activity, you will be contacted by a member of our ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

You should also know that you have the right to file a police report if you ever experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You can report suspected incidents of identity theft to local law enforcement or to the Attorney General.

5. Place Fraud Alerts with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. The contact information for all three bureaus is as follows:

Credit Bureaus

Equifax Fraud Reporting
1-866-349-5191
P.O. Box 105069
Atlanta, GA 30348-5069
www.equifax.com

Experian Fraud Reporting
1-888-397-3742
P.O. Box 9554
Allen, TX 75013
www.experian.com

TransUnion Fraud Reporting
1-800-680-7289
P.O. Box 2000
Chester, PA 19022-2000
www.transunion.com

It is necessary to contact only ONE of these bureaus and use only ONE of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well. You will receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review. An initial fraud alert will last for one year.

Please Note: No one is allowed to place a fraud alert on your credit report except you.

6. Security Freeze. By placing a security freeze, someone who fraudulently acquires your personal identifying information will not be able to use that information to open new accounts or borrow money in your name. You will need to contact the three national credit reporting bureaus listed above to place the freeze. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze. There is no cost to freeze or unfreeze your credit files.

7. You can obtain additional information about the steps you can take to avoid identity theft from the following agencies. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them.

California Residents: Visit the California Office of Privacy Protection (www.oag.ca.gov/privacy) for additional information on protection against identity theft. Office of the Attorney General of California, 1300 I Street, Sacramento, CA 95814, Telephone: 1-800-952-5225.
