<< Variable Data 1 >>

On behalf of EMPIRE, we are writing to inform you about a recent incident that involved personal information about you. We regret that this incident occurred and take the security of your personal information seriously.

WHAT HAPPENED. On July 7, 2025, we became aware of a cyber incident in which certain internal EMPIRE systems and data stored on those systems were accessed by an unknown third party. We promptly launched an investigation and engaged cybersecurity experts and external consultants to help investigate the incident and assess its impact.

WHAT INFORMATION WAS INVOLVED. We have determined that the personal information involved in this incident may have included your name, Social Security number, and/or bank account number. If your bank account number was involved in this incident, the information impacted did not include any associated security codes, access codes, or PINs.

WHAT WE ARE DOING. After we learned of this incident, we took steps to obtain the necessary information so that we could notify affected individuals. In response to this incident, we have taken steps to investigate, assess, and improve the security of our systems. We have also informed federal law enforcement of this incident.

WHAT YOU CAN DO. Consistent with certain laws, we are providing you with the following information about steps that you can take to protect against potential misuse of personal information.

As a precaution, we have arranged for you, at your option, to enroll in a complimentary two-year credit monitoring service. We have engaged IDX to provide you with its Identity Protection Services, which includes triple credit bureau monitoring as well as dark web monitoring. You have 90 days from the date of this letter to activate this free credit monitoring service by using the following activation code: **<<Enrollment Code>>**. This code is unique for your use and should not be shared. To enroll, go to https://app.idx.us/account-creation/protect or call 1-800-939-4170.

You should always remain vigilant for incidents of fraud and identity theft, including by regularly reviewing your account statements and monitoring credit reports. If you discover any suspicious or unusual activity on your accounts or suspect identity theft or fraud, be sure to report it immediately to your financial institutions.

In addition, you may contact the Federal Trade Commission ("FTC") or law enforcement, including your state Attorney General, to report incidents of identity theft or to learn about steps you can take to protect yourself from identity theft. To learn more, you can go to the FTC's website at www.ftc.gov/idtheft or call the FTC at (877) IDTHEFT (438-4338) or write to Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

You may also periodically obtain credit reports from the nationwide credit reporting agencies. If you identify information on your credit report resulting from a fraudulent transaction, you should request that the credit reporting agency delete that information from your credit report file. In addition, under federal law, you are entitled to one free copy of your credit report every 12 months from each of the three nationwide credit reporting agencies. You may obtain a free copy of your credit report by going to www.AnnualCreditReport.com or by calling (877) 322-8228. You may contact the nationwide credit reporting agencies at:

Equifax	Experian	TransUnion
(800) 685-1111	(888) 397-3742	(800) 680-7289
P.O. Box 740241	P.O. Box 9701	Fraud Victim Assistance Department
Atlanta, GA 30374-0241	Allen, TX 75013	P.O. Box 2000
www.Equifax.com	www.Experian.com	Chester, PA 19022-2000
		www.TransUnion.com

You also have other rights under the Fair Credit Reporting Act ("FCRA"). For information about your rights under the FCRA, please visit: https://files.consumerfinance.gov/f/201504_cfpb_summary_your-rights-under-fcra.pdf.

In addition, you may obtain additional information from the FTC and the credit reporting agencies about fraud alerts and security freezes. You can add a fraud alert to your credit report file to help protect your credit information. A fraud alert can make it more difficult for someone to obtain credit in your name because it tells creditors to follow certain procedures to verify your identity. You may place a fraud alert in your file by calling any of the nationwide credit reporting agencies listed above. As soon as that agency processes your fraud alert, it is required to notify the other two agencies, which then must also place fraud alerts in your file.

You can also contact the nationwide credit reporting agencies at the numbers listed above to place a security freeze to restrict access to your credit report. You will need to provide the credit reporting agency with certain information, such as your name, address, date of birth and Social Security number. The credit reporting agency will send you a confirmation containing a unique PIN or password that you will need in order to remove or temporarily lift the freeze. You should keep the PIN or password in a safe place.

FOR MORE INFORMATION. Please know that we regret any inconvenience or concern this incident may cause you. Please do not hesitate to contact us at 1-800-939-4170 if you have any questions or concerns.

Sincerely,

EMPIRE
