## STEPS YOU CAN TAKE TO FURTHER PROTECT YOUR INFORMATION

**Order Your Free Credit Report:** To order your free annual credit report, visit www.annualcreditreport.com, call toll-free at (877) 322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's (FTC) website at www.ftc.gov and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

The three credit bureaus (Equifax, Experian, and TransUnion) provide free annual credit reports only through the website, toll-free number, or request form. You may also purchase a copy of your credit report by contacting any of the credit reporting agencies below:

| | | |
|---|---|---|
| Equifax | www.equifax.com | (800) 685-1111 |
| Experian | www.experian.com | (888) 397-3742 |
| TransUnion | www.transunion.com | (800) 916-8800 |

Upon receiving your credit report, review it carefully. Errors may be a warning sign of possible identity theft. Here are a few tips of what to look for:

- Look for accounts you did not open.
- Look in the "inquiries" section for names of creditors from whom you have not requested credit. Some companies bill under names other than their store or commercial names; the credit bureau will be able to tell if this is the case.
- Look in the "personal information" section for any inaccuracies in information (such as home address and Social Security Number).

If you see anything you do not understand, call the credit bureau at the telephone number on the report. You should notify the credit bureaus of any inaccuracies in your report, whether due to error or fraud, as soon as possible so the information can be investigated and, if found to be in error, corrected. If there are accounts or charges you did not authorize, immediately notify the appropriate credit bureau by telephone and in writing. Information that cannot be explained should also be reported to your local police or sheriff's office because it may signal criminal activity.

We encourage you to take advantage of these protections and remain vigilant for incidents of fraud and identity theft, including regularly reviewing and monitoring your credit reports and account statements.

**Federal Trade Commission and State Attorneys General Offices:** If you detect any unauthorized transactions in any of your financial accounts, promptly notify the appropriate payment card company or financial institution. If you detect any incidence of identity theft or fraud, promptly report the matter to your local law enforcement authorities (from whom you can obtain a police report), state Attorney General, and the Federal Trade Commission (FTC). **Placing a Security Freeze:** You have a right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

You can place, temporarily lift, or permanently remove a security freeze on your credit report online, by phone, or by mail. You will need to provide certain personal information, such as address, date of birth, and Social Security number to request a security freeze and may be provided with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze. Information on how to place a security freeze with the credit reporting agencies is also contained in the links below:
https://www.equifax.com/personal/credit-report-services/
https://www.experian.com/freeze/center.html
https://www.transunion.com/credit-freeze

As of April 24, 2026, the reporting agencies allow you to place a credit freeze through the online, physical mail and phone numbers and request that you provide the information listed below. Where possible, please consult the websites listed above for the most up-to-date instructions.

**Placing a Fraud Alert:** To protect yourself from possible identity theft, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. You may obtain additional information from the FTC and the credit reporting agencies listed above about placing a fraud alert and/or security freeze on your credit report.
