Review Account Statements: You should remain vigilant against incidents of fraud and identity theft by reviewing your account statements and monitoring your free credit reports for suspicious activity or errors.

Obtain a Free Credit Report: You are entitled to a free copy of your credit report annually. To obtain your credit report, visit www.annualcreditreport.com, call toll-free 1-877-322-8228, or mail an Annual Credit Report Request Form (available at www.annualcreditreport.com) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You can also purchase a copy of your credit report or contact the three major credit reporting bureaus.

Place a Fraud Alert: At no charge, you can also have the three major credit bureaus place a fraud alert on your file that alerts creditors to take additional steps to verify your identity prior to granting credit in your name. Note, however, that because it tells creditors to follow certain procedures to protect you, it may also delay your ability to obtain credit while the agency verifies your identity. As soon as one credit bureau confirms your fraud alert, the others are notified to place fraud alerts on your file. Should you wish to place a fraud alert, or should you have any questions regarding your credit report, please contact the credit reporting agencies:

Place a Security Freeze: You may place a security freeze on your credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing, or other services. You will need to place a security freeze separately with each of the three major credit bureaus if you wish to place a freeze on all of your credit files. In order to request a security freeze, you will need to supply the credit reporting agency with information that identifies you, including your full name, date of birth, Social Security number, all addresses for up to five previous years, a copy of your state identification card or driver's license, and a copy of a utility bill, bank or insurance statement, or other statement proving residence. To find out more on how to place a security freeze, contact the credit reporting agencies:
