1 The credit scores provided are based on the VantageScore 3.0 model. For three-bureau VantageScore credit scores, data from Equifax®, Experian®, and TransUnion® are used respectively. Any one-bureau VantageScore uses Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness. Credit monitoring from Experian and TransUnion will take several days to begin.

2 Identity Theft Insurance is underwritten by insurance company subsidiaries or affiliates of American International Group, Inc. The description herein is a summary and intended for informational purposes only and does not include all terms, conditions, and exclusions of the policies described. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

ADDITIONAL STEPS TO HELP PROTECT YOUR INFORMATION

Review Personal Account Statements and Credit Reports. We recommend that you remain vigilant by reviewing personal account statements and monitoring credit reports to detect any errors or unauthorized activity. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to www.annualcreditreport.com or call (877) 322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months. If you discover any suspicious items, you should report any incorrect information on your report to the credit reporting agency. The names and contact information for the credit reporting agencies are:

Report Suspected Fraud. You have the right to file a police report if you ever experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide some kind of proof that you have been a victim. A police report is often required to dispute fraudulent items. You should report suspected incidents of identity theft to local law enforcement, your state's Attorney General, and/or the Federal Trade Commission.

Place Fraud Alerts. A fraud alert tells businesses that check your credit that they should check with you before opening a new account. When you place a fraud alert, it will last one year. Fraud alerts are free and identity theft victims can get an extended fraud alert for seven years. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. To place a security freeze, contact the nationwide credit reporting agencies by phone or online. For more information, visit <https://www.consumer.ftc.gov/articles/0275-place-fraud-alert>.

Place a Security Freeze. Security freezes, also known as credit freezes, restrict access to your credit file, making it harder for identity thieves to open new accounts in your name. You can freeze and unfreeze your credit file for free. You also can get a free freeze for your children who are under 16. And if you are someone's guardian, conservator or have a valid power of attorney, you can get a free freeze for that person, too. To place a security freeze, contact the nationwide credit reporting agencies by phone or online. If you request a freeze online or by phone, the agency must place the freeze within one business day. If you request a lift of the freeze, the agency must lift it within one hour. If you make your request by mail, the agency must place or lift the freeze within three business days after it gets your request. You also can lift the freeze temporarily without a fee. Also, do not confuse freezes with locks. They work in a similar way, but locks may have monthly fees. If you want a free freeze guaranteed by federal law, then opt for a freeze, not a lock. For more information, visit <https://www.consumer.ftc.gov/articles/0497-credit-freeze-faqs>.

Prevent Tax Fraud. Now anyone who can verify their identity can obtain an IRS identity protection PIN (IP PIN), not just those who have been victims of IRS identity theft. Even better, the IP PIN can be applied for online at <https://www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin> without CPA assistance in just 10 minutes. The IP PIN is valid for one year at which time the IRS will automatically assign you a new IP PIN for the following year. Please feel free to contact me for assistance applying for your IP PIN online. Some individuals (under certain income caps) who can't apply online (for example, because they can't properly verify their identity through the online process which involves uploading ID copies and taking a selfie) can use Form 15227 to apply for an IP PIN.
