Re: Notice of Data Incident

Dear Attorney General Hilgers:

Wilson Elser Moskowitz Edelman and Dicker LLP (“Wilson Elser”) represents Towerpoint Wealth, LLC (“Towerpoint”), a wealth advisory and investment management firm located at 500 Capitol Mall, Suite 2060, Sacramento, California, with respect to a recent cybersecurity incident that was first discovered by Towerpoint on April 27, 2026 (hereinafter, the “Incident”). This letter will serve to inform you of the nature of the Incident, what information may have been compromised, the number of Nebraska residents being notified, and the steps that Towerpoint has taken in response to the Incident. We have also enclosed hereto a sample of the notice letter mailed to the potentially impacted individuals, which includes an offer for complimentary credit monitoring services.

1. Nature of the Incident

On April 27, 2026, Towerpoint discovered suspicious activity within its computer environment. Upon discovery of the Incident, Towerpoint promptly engaged of a third-party cybersecurity firm to contain its environment and conduct a forensic investigation to determine the cause and scope of the unauthorized activity. The forensic investigation determined that an unauthorized party accessed and copied certain files within its environment.

Based on its investigation, Towerpoint undertook a comprehensive review of those files to identify the information involved, and the individuals potentially affected. Although Towerpoint is unaware of any fraudulent misuse of information, it is possible that individuals’ names, addresses,

As of this writing, Towerpoint has not received any reports of related identity theft since the date of the incident (April 27, 2026, to present).

2. Number of Nebraska residents affected.

Based upon its investigation, Towerpoint identified and notified one (1) Nebraska resident whose information may have been impacted as a result of the Incident. A notification letter to the individual was mailed on June 5, 2026, by U.S. First Class Mail. A sample copy of the notification letter is included with this letter under **Exhibit A**.

3. Steps taken in response to the Incident.

Towerpoint is committed to ensuring the security and privacy of all personal information within its control and is taking steps to prevent a similar incident from occurring in the future. Upon discovery of the Incident, Towerpoint moved quickly to investigate and respond to the Incident, assessed the security of its systems, and notified the potentially affected individuals. Further, to prevent a similar incident from occurring in the future, Towerpoint implemented and will continue to implement additional cybersecurity measures as well as policies and procedures to safeguard sensitive information within its care.

Although Towerpoint is not aware of any actual or attempted misuse of the affected personal information, Towerpoint is offering twelve (12) months of complimentary credit monitoring and identity theft restoration services through Cyberscout, a TransUnion company, to Nebraska residents to help protect their identity. Additionally, Towerpoint provided guidance on how to better protect against identity theft and fraud, including providing information on how to place a fraud alert and security freeze on one's credit file, the contact details for the national consumer reporting agencies, information on how to obtain a free credit report, a reminder to remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring free credit reports, and the contact details for the Federal Trade Commission.

4. Contact information

Towerpoint remains dedicated to protecting the sensitive information within its control. Should you have any questions or need additional information, please do not hesitate to contact me at Anjali.Das@WilsonElser.com or 312-821-6164.

Very truly yours,
