<<b2b_text_2 (NOTICE OF DATA BREACH/ NOTICE OF DATA INCIDENT)>>

Dear <<First_name>> <<Last_name>>:

SunSource Borrower, LLC (“SunSource”) values and respects the privacy of your information, which is why we are advising you of an incident that involved some of your personal information. We want to make you aware of the incident, what happened, what information was involved, and the steps we are taking to address it.

What Happened? SunSource has learned that an unauthorized third party was briefly able to gain access to a limited part of our network. After discovering the incident, we hired an outside third-party forensic expert to investigate the issue and confirm the security of our network. That investigation determined that, between March 31, 2026 and April 5, 2026, the third party had access to our network and gained access to certain files stored on a portion of our file server.

What Information Was Involved? On May 4, 2026, we determined that the files contain some of your personal information, including your name, together with your <<b2b_text_1 (data elements)>>.

TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You have been provided with access to the following services from Kroll:

Triple Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data at any of the three national credit bureaus—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft. To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against possible fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly contact your bank or the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes, and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: By law, you may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies. The three national credit reporting agencies have also agreed to provide free weekly online credit reports. You can obtain your free credit report by visiting www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>. Alternatively, you may elect to purchase a copy of your credit report by contacting the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

Fraud Alerts: By law, you have the right to place a fraud alert on your credit report if you believe you have been, or are about to become, a victim of fraud or related crime. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com/protectYourIdentity.action.

Credit and Security Freezes: By law, you have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
